

4th International Conference on Accelerated Pavement Testing (APT 2012)

www.ucprc.ucdavis.edu/apt2012

**University of California Pavement Research Center
Davis, California, USA
September 19-21 2012**

This conference provides a forum for participants to address the various aspects and benefits of accelerated pavement testing (APT) from an international perspective. It also provides attendees with an opportunity to share their knowledge and experiences, and to gain insight into needs and upcoming trends for future developments in accelerated pavement testing.

Call for papers

The theme for this conference is Implementation of APT Results. Abstracts are solicited in all areas which touch upon the subject of Accelerated Pavement Testing. Undergraduate, graduate and post doctoral scholars are encouraged to submit papers, since special sessions are planned to highlight work undertaken by young professionals. Authors of accepted abstracts will be invited to submit papers for peer review and publication in the conference proceedings.

Abstracts will be accepted March 1, 2011 through June 1, 2011. Crucial information on submitting your abstract may be found on the conference website: www.ucprc.ucdavis.edu/apt2012
